STANDARD AND CUSTOM DESIGNS AVAILABLE!

EASY TO CLEAN

The GEARsafe compartment is easy to decon thanks to our Scorpion Coating.

While it is important to purchase fire service equipment that is functional in the most stressful moments, it must also be easy to maintain.

READY TO DECON

Every GEARsafe comes with a Total Decon Kit, that is developed to assist you in decontaminating your gear and reducing your exposure to carcinogens.

CARNEY STRONG

In order to further promote the importance of cancer awareness, we are committed to donating **\$100.00** of every GEARsafe sale to the **Carney Strong Initiative**.

THE **DRONE** GENERATION IS HERE!

Our UAS (or more commonly, drone) command cabinet can be integrated into our existing cabinet designs or we can create a design around your mission. With a wide array of monitor options from a small and large single screen to multiple screens, we can provide the pilot and others with the information that they need during the operation. With endless customization options, we will design a cabinet to meet your needs.

This type of cabinet can be built for any make and model of SUV, Van, Truck, or specialty vehicle.
